

### SERCOM-3 Resolutions/Decisions/Recommendations

| <b>Resolutions</b> |                  |  |
|--------------------|------------------|--|
| <b>Session No.</b> | <b>Final No.</b> | <b>Title</b>   |
|                    |                  |  |
| 4.7(1)1            | 1                | Proposed Guide to Marine Emergency Response  |
| 5.1/1              | 2                | Adoption of the work programme of the Commission for Weather, Climate, Hydrological, Marine and Related Services and Applications (Services Commission) for the second intersessional period (2024-2027) |
| 5.2/1              | 3                | Review of the subsidiary bodies of the Commission  |
| 9/1                | 4                | Review of previous resolutions, decisions and recommendations and evaluation of implementation of relevant actions   |

| <b>Decisions</b>   |                  |   |
|--------------------|------------------|---|
| <b>Session No.</b> | <b>Final No.</b> | <b>Title</b>  |
| 2/1                | 1                | Consideration of reports  |
| 3/1                | 2                | Review of resolutions and decisions of Congress and the Executive Council related to the Commission   |
| 4/1                | 3                | Process for the amendments to the Technical Regulations to include Early Warning Systems  |
| 4.3(2)/1           | 4                | Update to Aerodrome Reports and Forecasts: A Users' Handbook to the Codes (WMO-No. 782)   |
| 4.5(2)1            | 5                | SERCOM priority activities in support of the EW4All initiative  |
| 4.5(3)1            | 6                | Tropical Cyclone Forecasting Competency Framework   |
| 4.6(1)1            | 7                | Hydrological Services   |
| 4.6(2)/1           | 8                | Services related to the Cryosphere  |
| 4.7(2)/1           | 9                | Forecasting/Alerting for Coastal Hazards caused by weather-driven long waves elsewhere known as "meteotsunami"  |
| 4.8/1              | 10               | Long-term SG-ENE Capacity Development Plan on Services for Energy   |
| 4.9/1              | 11               | Implementing Mechanisms for Health Science and Services   |
| 4.10/1             | 12               | Good practices for the Implementation of Integrated Urban Services  |
| 4.10/2             | 13               | Good practices for assessing socioeconomic and organizational costs and benefits of integrated urban services   |
| 5.2/1              | 14               | Chairs and Vice-Chairs of Standing Committees and Study Groups of the Commission in the next intersessional period  |
| 5.3/1              | 15               | Composition of the Management Group of the Commission in the next intersessional period   |
| 6/1                | 16               | Overarching principles for the selection of experts to serve in the Commission for Weather, Climate, Hydrological, Marine and Related Environmental Services and Applications |
| 7(1)/1             | 17               | Advice from the Hydrological Coordination Panel (HCP)   |
| 7(1)/2             | 18               | Advice from the Capacity Development Panel (CDP)  |
| 7(2)/1             | 19               | Proposed amendments to the WMO Integrated Processing and Prediction System (WIPPS) Manual on Tropical Cyclone parameters  |
| 7(2)/2             | 20               | Proposed amendments to the WIPPS Manual on requirements regarding Regional Specialized Meteorological Centres (RSMCs) conducting Marine Emergency Response (MER)              |
| 7(2)/3             | 21               | Proposed amendments to the WIPPS Manual on designation criteria and establishment of RSMCs for Global Numerical Storm Surge Prediction (GNSSP)                                |
| 7(3)/1             | 22               | Collaboration with the Research Board and follow-up of recommendations of the Scientific Advisory Panel (SAP)   |
| 8/1                | 23               | SERCOM Gender Action Plan for the Nineteenth Financial Period   |
| 10/1               | 24               | Election of SERCOM Officers   |
| 10/2               | 25               | Election of SERCOM Officers   |
| 10/3               | 26               | Acting president  |

| <b>Recommendations</b> |                  |   |
|------------------------|------------------|---|
| <b>Session No.</b>     | <b>Final No.</b> | <b>Title</b>  |
| 4.2(1)/1               | 1                | Implementation Plan on National Drought Early Warning Systems   |
| 4.2(2)/1               | 2                | Additional Drought Indicators and Indices for use by NMHSs  |
| 4.3(1)/1               | 3                | Recommendations and statement of the Eighth International Workshop on Volcanic ash (IWVA-8)   |
| 4.4(1)/1               | 4                | Accelerating Climate Data Stewardship and Data Rescue   |
| 4.4(2)/1               | 5                | Road Map for the State of the Climate Reporting at Global and Regional Scales   |
| 4.4(3)/1               | 6                | Establishment and functionalities of WMO accredited entity supporting El Niño/La Niña information   |
| 4.5(1)/1               | 7                | Business Continuity Management Guidelines   |
| 4.7(3)/1               | 8                | The collection and dissemination of marine meteorological and oceanographic information using International Maritime Organization (IMO) Recognized Mobile Satellite Services (RMSS) |
| 4.9/1                  | 9                | Support Actions to Implementing Mechanisms for Health Science and Services  |
| 5.1/1                  | 10               | Proposed description of the Weather, Climate, Hydrological, Marine and Related Environmental Services Programme   |
| 10/1                   | 11               | Election of SERCOM Officers   |
|                        |                  |   |
